BEFORE YOUR WEDDING DAY

PLAN

You provide the details of your wedding, bridal party and venue. We'll take care of arranging your bridal style team and liaise with your venue or wedding planner for a stress-free day.

CONSULTATION AND TRIAL

Your consultation is the most important part of your trial. During your consultation, we'll chat with you to find out about the things that you love and the things you don't, allowing us to put together a picture of what you'll look like on your wedding day.

Your bridal beauty trial is your opportunity to try out a couple of different hair and makeup looks and it allows your artists to see which products work best on your skin ahead of your special day.

Your bridal beauty trial can take place in a venue of your choice and is a chance for you and your bridal party to really make a day of it with some bubbles and nibbles and indulge in being pampered!
